

S. JOHN WOLCOTT

The following comments are taken from an undated correspondence attached to April 1996 Russell Ziemba correspondence. A copy of the correspondence is provided in Appendix 1.

1. Comment:

Additional commentary on the Jacob Weaver Dutch Barn on Vly Road. It is the only Dutch barn left in the Town of Colonie out of an estimated 85 such barns formerly existing within the present boundaries of the Town that's only about 1%.

Why don't you make an effort to buy the barn and just enough land for access to Vly Road. You can leave the rest of the land in the present owner's hands with their house and anything else they need. You may be able to get matching funds through Parks & Rec.
