### **Site Review and Planning Board Reports**

Because the Spotted Zebra project was not on our agenda for this meeting, we will review it in our next meeting on Sept 4, 2012. We will hear the Planning Board reports for July and August on Sept. 4th, as well. Laura Weed is next up for the Bulletin Boards. Don Allard will give her the key next time, as well.

We hope to have Joe Grasso, Town Designated Engineer, and Mike Lyons from the Planning and Economic Development Department visit us in the future to educate us on site plans, wetlands, and porous pavement.

At 8:20 pm Sudhir motioned to adjourn the meeting, Ellen seconded the motion and the meeting was adjourned.

Respectfully submitted, Laura Weed
